IN LIEU OF JOINING US IN PERSON

We know that you would much rather be in person, in Lorne with us, but sometimes this just isn't possible so this is the next big thing and a pretty damm good package if retreats are your thing.

For any of you that know me, you know that I go above and beyond to give value. This is no different as I want you to walk away with confidence that you have the skills to run a retreat that fills with ease and grace and makes a profit. Along with the fact we can gift you a general UGWA Virtual Ticket spices up the package a whole lot more.

Please get in touch with any questions and if you don't know me from any other retreat facilitator then check me out at the links below.

Liesel Albrecht

The Retreat Specialist CEO, Creator and Nurturer.
