FIJI 2020 WORKSHOP FACILITATORS

15-22 FEBRUARY 2020
PLANTATION ISLAND RESORT, FIJI

It is with great pleasure that I introduce to you our highly specialised team of speakers and workshop facilitators who you will not only get to know, but will learn from at our Ultimate Girls Week Away Retreat in Fiji.

Every facilitator has been personally selected by me based on my years of experience of running retreats, and building a fantastic network of some of the finest women I know, who are making a huge impact in this world.

Not all of them you will know... and this is just it, I really wanted to showcase how your gifts can be utilised in many different ways - so that you don't keep 'thinking about it'... instead you get out there and start living your dream - what ever that is for you.

Personally I wish the retreat could go for a month so you can experience all of the goodness from our Facilitators! However, I've resigned to 7 days, and promise there will be plenty of opportunity for you to meet them all in Fiji - that's for sure.

Enjoy & I look forward to getting to know you personally too.
